There comes a time when humanity is called to shift to  
a new level of consciousness . . . that time is now.

*Wangari Maathai, Kenyan Political Activist and Nobel Prize Laureate*

At it's best, leadership is a daily, ongoing practice  
— a journey toward becoming your whole-self and  
inviting others to do the same. And at the heart of this  
daily practice is courage.

*Center for Courage and Renewal / Parker J. Palmer*

**... the inclusion of competencies such as self-awareness,  
introspection, constructive attitudes and mindsets (are critical) for  
effective leadership. In fact, it is these social and emotional  
competencies  
that distinguish the good leaders from the great ones.**

*Characteristics of a Good Leader / Search Inside Yourself Leadership Institute,  
referencing McKinsey Insights 2019*

And in this glorious vision, she instructs that our  
endeavors must be about the liberation of the woman,  
the emancipation of the man, and the liberty of the child.

*Nelson Mandela, South African State of the Nation Address 1994,  
reading from the poem "Die Kind" by South African poet Ingrid Jonker*
